

**IGCSE/GCSE Mathematics Distance Learning LIVE Courses –
SMALL Groups**

IGCSE/GCSE Mathematics – Foundation 1 Year

£395 – 1 hour tuition per week/36 weeks

IGCSE/GCSE Mathematics – Higher 1 Year

£395 – 1 hour tuition per week/36 weeks

IGCSE/GCSE Mathematics – Foundation 2 Years

£395 – 30 minutes tuition per week/36 weeks (per academic year)

IGCSE/GCSE Mathematics – Higher 2 Years

£395 – 30 minutes tuition per week/36 weeks (per academic year)

These courses cover IGCSE/GCSE Edexcel, GCSE AQA and GCSE OCR.

All courses include:

- ❖ Tutor led course.
- ❖ Weekly online/zoom group tuition with a maximum of 7 students per group.
- ❖ Sessions are recorded (with only tutor's voice) and available on your child's account for them to watch as many times as they need.
- ❖ Printable worksheets relating to the online session with the option of inputting your answers online for automatic marking (answers can also be found on the parent hub).
- ❖ Weekly zoom drop-in sessions (just turn up to as many as you need) where children can speak to Dan, 1 to 1, about any topics/questions they are unsure of.
- ❖ A participation certificate at the end of the full course.
- ❖ Full tutor support – we are available by email or Facebook at any time and aim to respond asap.
- ❖ Access to 'How to Use a Calculator' videos and exam question explanation videos.

All worksheets and online tests will be available on their learning hubs on a Monday. We record the first session of the week on a Monday and use this as the recording which you can also find on their online learning hub.

As home educators ourselves, we know how expensive it can be, so we have tried to put together plenty of payment options for people to choose from:

Small Group Live Courses - £395 per course

Option 1 – £395 full payment.

Option 2 – Deposit of £200 followed by a payment of £195 in January.

Option 3 – Deposit of £155 followed by 2 payments of £120 in October and February.

Option 4 – Deposit of £95 followed by 4 payments of £75 in September, November, January and March.

Option 5 – Deposit of £80 followed by 7 payments of £45 in September, October, November, December, January, February and March

Option 6 – Deposit of £80 followed by 9 payments of £35 in September, October, November, December, January, February, March, April and May.

Option 7 – Deposit of £39.50 followed by 9 payments of £39.50 in September, October, November, December, January, February, March, April and May.

We are happy to discuss any of these payment options in more detail with you.

DISCOUNTS: £50 reduction from total cost per additional sibling added to any course or per additional course purchased within the same academic year.

Right from the start Emma was helpful and well informed which infused us with confidence being home schooling newbies. Dan is a great teacher; our boys find him easy to follow and they really enjoy his classes and are progressing well. Thanks guys! *Parent S*

IGCSE/GCSE Mathematics Distance Learning LIVE Courses – Large Groups

IGCSE/GCSE Mathematics – Higher 1 Year

We are happy to discuss any of these payment options in more detail with you.

DISCOUNTS: £50 reduction from total cost per additional sibling added to any course or per additional course purchased within the same academic year.

Dan is a fantastic tutor, and his wife and Family are a great support. A caring family goes a long way. The help is phenomenal. My daughter had lost confidence in Math and this course has restored her confidence. She has come on in leaps and bounds. This is our second year with Absolute Maths and our first year studying for an IGCSE course, although it is challenging, help and support is second to none. There are 1-1 help sessions via zoom, email and Facebook messenger and even phone call help is at hand at all times.

100% recommend Absolute Maths course. Parent J

IGCSE/GCSE Mathematics Distance Learning RECORDED Courses

We are happy to discuss any of these payment options in more detail with you.

DISCOUNTS: £50 reduction from total cost per additional sibling added to any course or per additional course purchased within the same academic year.

I'm currently going through the self-paced IGCSE course for the second time. My eldest achieved the grade he needed last year and my daughter will take it this year. I would heartily recommend the course. Not only is it very well taught and beautifully organised but the support you get is outstanding. Both throughout the course and through last year's exam cancellations we have consistently felt well taken care of and confident that all we have to do is the learning. While by this time I feel pretty confident that I know the subject matter(!), I still fully intend to sign my youngest up in due course.
